THE NEW SINGLE – SEQUOIA EAST

Born to an ancient family in Beijing, I am rich in tradition but free in spirit. I have traveled the world in search of my artistic voice – from Paris, to London, to Sydney, to Cape Town, to Los Angeles, and now, to New York.

My search culminated in a moment of enlightenment, where I realized that I am compelled to express myself through music. **Sequoia East** is the start of this journey. It is my creative calling, my highest purpose, and the gift that I share with you.
